

**1.4.1 Structured feedback for curriculum and its transactions is regularly obtained from stakeholders like Students, Teachers, Employers, Alumni, Academic peers etc., and Feedback processes of the institution may be classified as follows:**

**To reduce enormous use of paper and printing the entire data, sign and a seal by the Competent Authority for all the papers, we have used the Class-3 Digital signatures where a Registration Authority i.e. Dr. Jahid Ali, Registrar of our University authenticate the documents**

**This is to certify that all the documents in this file are digitally attested.**

## 11. Suggestions on improvement

3 responses

Everything is good but there should be improvement in the practical knowledge.

Encourage students so they can participate in inter college tournaments in other university such as cricket, vollyball etc

Need to shift from traditional teaching methods to modern teaching methods, orthodox behaviour of the university should get improvement, placement companies should come except retail and BPO so that the students standard should get increase in their job .

## Suggestions for the improvement of curriculum

7 responses

Curriculum should be competitive based..More skill based courses can be added so that students will get good placement opportunities in pharma and chemical sector.

Curriculum should be improved as per NEP

Define concrete goals for the curriculum.

Learn about the students and their needs.

Using Technology one can create interactive learning environments that improve comprehension and engagement and

Revision notes can help students to complete the syllabus on time and prepare for exams.

Exposure visit of students to premier educational institute, appointment of career councillor, Invited lectures of alumnus to motivate the students, Expert lecture to motivate students to start own entrepreneurship to become job providers rather job seekers

Curriculum should be as New Education Policy -2020

Proper linkage between institutes and Industries

Nil

Industry Oriented curriculum may be focused as per the present industry needs
